Miss Hannah's Jig *BMB*

Sources vary as to the rhythm in bars 1 and 2

Death and Dr.Hornbrook (this is the title of a poem by Robert Burns)

Mr. Morison of Bognie

On the original sheet, the triples after the first bar of the last line are shown straight rather than dotted. There are various sources for this tune, some with a straight rhythm and others with a dotted rhythm, but all retain the same rhythm for the whole tune, so we have made this version dotted throughout.
